

# Pull-and-Shake Chicken

## Little Farm

**LITTLE DUTCH**  
*enjoy the little things*

### Description

Move around! This cheerful little chicken is designed with playful textures. If you pull on her, she starts to vibrate. You can easily attach this fun toy to a car seat, a playpen or a stroller. Made for little hands to grab, it provides endless entertainment at home and on the go. Laughter and giggles guaranteed.

### Features

- Vibrating chicken toy: The toy is a cheerful little chicken designed with playful textures, and when pulled, it starts to vibrate, providing an entertaining and engaging experience for babies.
- Versatile attachment options: The toy can be easily attached to a car seat, playpen, or stroller, offering flexibility for play both at home and on the go, ensuring continuous entertainment for babies wherever they are.
- Designed for little hands: Made for little hands to grab, the toy is easy to hold and manipulate, providing babies with opportunities for sensory exploration and fine motor skill development while eliciting laughter and giggles during playtime.
