

# Cuddle Sheep 17cm

## Little Farm

**LITTLE DUTCH**  
*— enjoy the little things —*

### Description

Baa! This sheep loves to play. She likes to stay with you and can go anywhere. Also, make sure to meet the friends of this cute sheep: the chicken, the cow, the pig, and the goose. Together they have adventures on the farm. This little sheep is made of wonderfully soft materials, making her incredibly friendly and cuddly.

### Features

- **Playful Personality:** The sheep toy is described as loving to play, indicating that it is interactive and enjoyable for children. This feature suggests that the toy can engage children in imaginative play and encourage creative storytelling.
- **Part of a Farmyard Group:** The sheep toy is part of a larger group of farmyard animal friends, including the chicken, cow, pig, and goose. This feature highlights the toy's compatibility with other toys in the collection, allowing children to create cohesive farmyard scenes and explore the relationships between different animals.
- **Soft and Cuddly Materials:** The sheep toy is made from wonderfully soft materials, emphasizing its plush and cuddly texture. This feature ensures that the toy is inviting and comforting for children to hold and cuddle, providing a sense of warmth and security during playtime and bedtime.
