# Little Lumies<sup>™</sup> Musical Projector Light Instruction

Music Star Projector with Detachable and Washable Plush Body With 10 Soothing Lullaby Music Box

Congratulations on your owner ship of this Cute Plush star Projector with mood light with Soothing Lullabies. Its shell is a Star Projector which can project stars on the ceiling in darkness. It is also a cute night light, lighting up the close surrounding.

It is also a Soothing Lullaby Music Box with 10 popular lullabies, additional nature sound of bird singing and heartbeat sound to soothe babies to sleep well. These timeless melodies are appreciated by babies, toddlers, and young kinds. By pressing the 'Arrows' button, you can choose and listen to each of the lullabies, bird singing or heartbeat. If you hold the 'Arrows' button continuously for 3 seconds, then it will play all 10 lullabies in sequence and auto stop in about 30 minutes.

The most important part is: **HYGIENE!** Babies tend to bite everything they can see and reach that are around them. So hygiene is very important. Therefore we have designed the plush part to be detachable, so the parents can wash it separately.
