

MY SIZE URINAL

Product Description

The Summer® My Size® Urinal makes it easier for little boys to learn to go standing up. The My Size Urinal is a modern, realistic-looking urinal. It has a flush handle and a realistic flushing sound – just like a real one. This toddler urinal attaches to a tile wall with adhesive strips. This training urinal is removable for quick and effortless emptying. It also features a fun toilet target for little boys to practice aiming. For use on tile walls only.
