HD Dual Connect Baby Monitor System WITH WI-FI VIEWING AND DEDICATED PARENT UNIT

Keep an eye on what matters most without skipping a beat. At home, the 12.7 cm touchscreen monitor delivers crystal-clear high-definition video. Use the Project Nursery app on your smartphone or tablet to check in while away—even record and take snapshots. Multiple people can view from different locations, so check in even while the nanny is keeping watch. Never miss a moment.

Features

- Dual Connect: Wi-Fi connected for remote viewing on your iOS and Android devices using the Project Nursery App or local Wi-Fi viewing via 12.7 cm dedicated parent unit within Wi-Fi range
