Smart Baby Monitor System

Discover what Alexa can do for you and your baby with the Project Nursery Smart Baby Monitor System. With just a simple voice command, you can use Alexa to add items to your grocery list, play lullabies and children's audiobooks, receive reminders and alerts, and much more. Alexa's compatibility with a host of smart products makes life so much easier. The Wi-Fi Baby Monitor allows you to keep your eyes and ears on your little one at all times, from anywhere, using your smartphone or tablet. Never miss a moment!

Features

- 720p HD video streaming Wi-Fi zoom camera and Alexa voice controlled unit
- Built-in Alexa voice-control technology knows over 10,000 skills – and counting – with access to unlimited parenting information
- Ability to control other smart home devices
- Alexa voice-controlled functions: camera movements, play lullabies and sounds, record video, photo capture, motion/sound detection, and temperature readings
- Wi-Fi remote pan/tilt/zoom camera movements
- Audio recording and two-way communication
- View multiple cameras and two-way communication remotely from the Project Nursery app
- Record video and snap photos of Baby directly to your smartphone or tablet; or, auto record motion and sound detection events—no cloud storage fees apply
- Remote viewing allows you to see and hear at home or anywhere using your smart device
- Industry-leading infrared night vision
- Play Rockabye Baby lullabies such as "I Don't Want to Miss a Thing," "Holiday" and "Jolene"
- 360-degree omnidirectional audio so you can talk to Baby from anywhere using the Project Nursery app
- View up to four cameras at once using the quad-view screen on the app
- Add-on camera:
 - Model PNMAL2
- Not compatible with other Project Nursery Monitor Systems
- Wi-Fi router required
- 1-year limited warranty
