Urchin Hat in SKI MERINO & BIG WOOL

Our original Urchin Hat was written to be sold with super chunky Roma yarn by Debbie Bliss, but it's no longer available for us to buy for you! We now sell this kit with our very own Ski Merino and Big Wool by Rowan! They're a very similar super chunky weight and super soft!

Its gauge is very slightly different, and may slightly affect patterns like hats where you want a specific fit. People who want an extra slouchy style hat will be able to stick with the original pattern in our Urchin Hat booklet, but if you'd like to ensure more of a tailored fit, we suggest you make the following changes to the pattern:

Cast on row:	Cast on 42 stitches
Rows 1 – 24:	Follow original pattern.
Row 25 (RS):	K1, *[K2tog, P2] 10 times, K1 (<i>32 sts</i>)
Row 26 (WS):	P1, *[K1, P1, K1] 10 times, P1
Row 27 (RS):	K1, *[P2tog, K1] 10 times, K1 (<i>22 sts</i>)
Row 28 (WS):	P1, *[K1, P1] 10 times, P1
Row 29 (RS):	K1, *[K2tog] 10 times, K1 (<i>12 sts</i>)

You'll now have 12 stitches left on your knitting needle. Continue with instructions in Section 3.

As always, if you have any problems or need some help - just get in touch with us via the website or email us at
