

KIT 3 EXPANSION KIT BAE-E3-3001

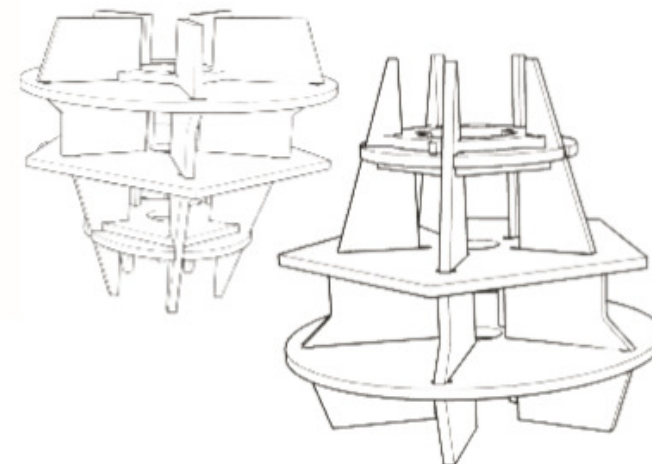

KIT 3 EXPANSION KIT SHOWN ASSEMBLED WITH KIT 3 CAN BE USED EITHER WAY UP

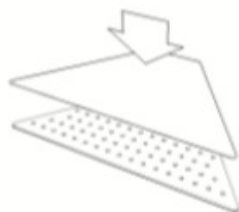

BASE ACE

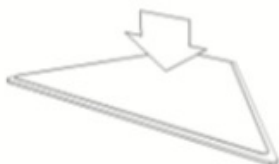

KIT 3

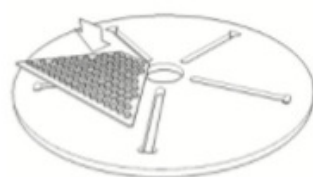

KIT 3 BASE PLATE ATTACHMENT

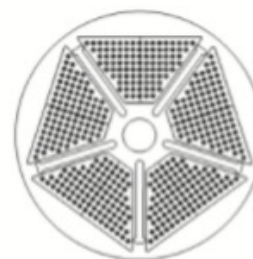

STEP 1
Remove backing from one side of the double-sided tape and attach to the underside of a Base Plate

STEP 2
Check alignment to ensure the tape is centralised on the Base Plate and then push firmly

STEP 3
Remove the backing from the underside of the double-sided tape. Turn over and hold the Base Plate just above the surface of the circular or pentagon shaped base

STEP 4
Centralise the Base Plate and ensure there is a small and even gap between the edge of the Base Plate and the side of the slots in the base. Press down firmly to secure
