*All designs
are assembled to
order out of our
bustling workshop
in Chicago.*

For over a decade, we've helped people design and customize lights just right for their homes and businesses.

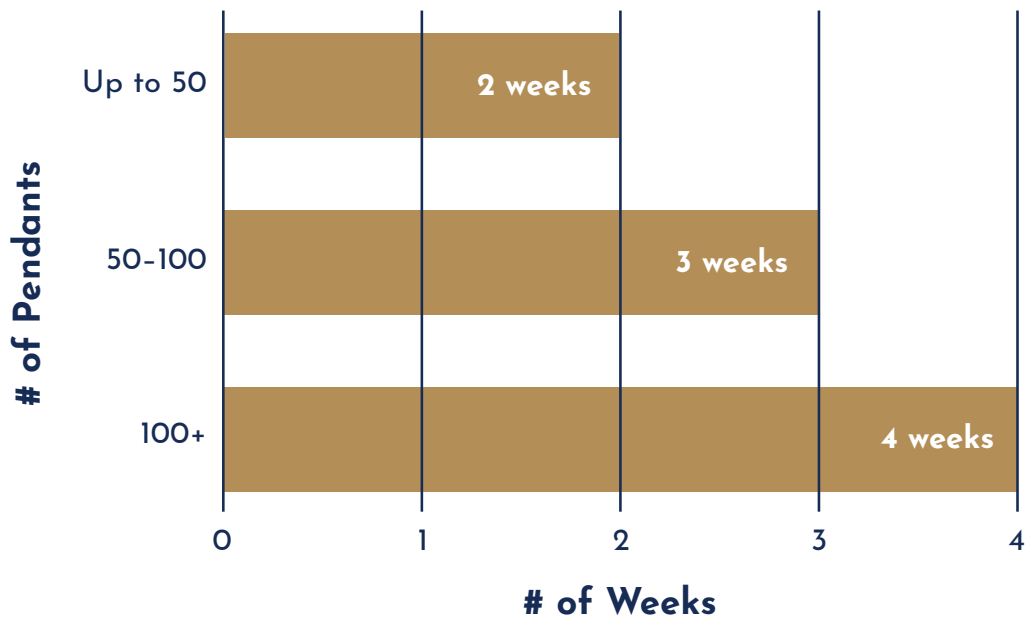

With nearly endless ways to personalize, you can mix and match vintage, industrial and modern styles and elements, pick the perfect shade or bulb. Quick turnaround from order to shipping means your light will be on its way to you in less than two weeks. With a bit of our heart and soul in each light, we are committed to craftsmanship, quality and top-notch customer service.

Located in Chicago

Lead Time

Quick ship and expedited options available
