WELLNESS

With long work days, sleepless nights, on-the-go schedules & constant hustles, wellness breaks have seemed to become a luxury commodity.

A quick and easy way to promote wellness through relaxation is by providing guests with

HAND MESSAGES

5 MINS OF BLISS

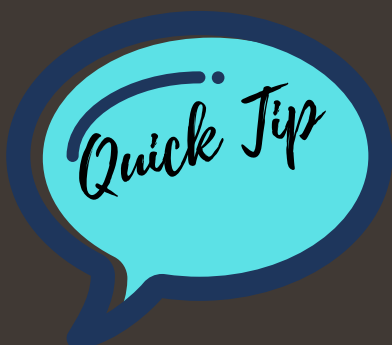

U.P. Beauty adds a level of elegance and memorable experience to your event with our hand massage service. Guests are able to relax, unwind & do a wellness check prior to or during your event enhancing their overall experience.

"As I observed her giving people hand massages, I couldn't help but notice how present she was with each person...I know everyone that left that seat not only left with soft hands but also left feeling as if they mattered" - Shaneal Smith McBean
