Lightweight Floor Standing Hand Sanitiser Station

CASH SORT

We Stand Together!

In today's environment, TG Systems are aware of the requirements needed to provide protection to customers and employees with sterilising and cleaning products,

The robust Lightweight Floor Standing Hand Sanitiser Station, designed for a Pump Sanitiser (90x200mm) helps to prevent the spread and the threat of COVID-19, as well as other viral and bacterial infections.

Company branding (Image shown for illustration purposes only), as well as bespoke design and sizes are also available.
