## Safescan 2250 Banknote Counter

# CASH SORT

The Safescan 2250's back-loading hopper can hold up to 300 banknotes and accurately count them, up to 1.000 notes per minute. Let the 2250 help you optimize your cash-counting workflow. Press the convenient "add" button and the 2250 will automatically keep track of the total note count across individual runs. Press "batch" and enter the desired number of bills and the 2250 will automatically pause each time it counts out that number. There's no faster way to prepare your bank deposits and cash drawers.
