

Data Sheet

TG900N Note Counter

CASH SORT

**Cost Effective Note Counting Solution
Offers total value of notes as well piece counting**

Product Features

- Full Range IR Image Sensor
- Full Range MG Sensor (Optional)
- Easy to Upgrade by USB Drive
- Easy to Connect with Computer & Printer
- GBP + USD + EUR + Local Currency
- Heavy Duty Performance

The TG900N Note Counter precisely and rapidly counts single denomination notes and accurately counts the value of large quantities of single or mixed denomination notes of any currency within the size limits. You don't need to sort your notes before counting! An alarm stop with error message will occur when any counterfeit notes are detected.

Tried and tested with British and Scottish Polymers. The TG900 can process both paper and polymer together.
