

# Data Sheet

## Tellermate T-ix 2000

**CASH SORT**

### Intelligent Case Counting

The Tellermate T-ix 2000 accurately counts a cash drawer in under a minute, reducing errors and giving you more time to focus on profit producing tasks, especially in the retail, food service and grocery sectors.

#### Counts in less than 60 seconds.

The Tellermate T-ix 2000 can quickly and accurately count a drawer of coins, notes and coupons saving you valuable time. When combined with a Tellermate printer, you can print reports for even greater accountability. The T-ix 2000 helps you prepare more efficient bank deposits with a feature that alerts users to errors in bands, ensuring that deposits are correct the first time, while providing an instant view of daily cash takings.

#### Main Specifications
