

WILDE CUSTOM GEAR

EXTERNAL VEST COVER

MEASUREMENT INSTRUCTIONS

Use large format paper to trace soft body armor vest panel and hard rifle plates. Target backs or butcher paper are easily obtained.

1. Remove body armor/rifle plates from carrier
2. Lay body armor flat on paper
3. Flatten body armor
4. Lay heavy object on body armor to prevent movement while tracing
5. Trace around body armor
6. Trace around rifle plates
7. Write name and indicate "front" and "rear" on tracings
8. Provide measurements of rifle plate and indicate if plate is curved or flat.

Height_____ Width _____ Thickness_____

9. Provide measurement of waist. Measure around belly button.

_____ inches

10. Place name and order number on all pages
