

Fun ways to play!

1

Teach your doll what you are learning in school

Teach her spelling, history, math and science and invite her friends! You could even make her locker out of cardboard and decorate it with her!

2

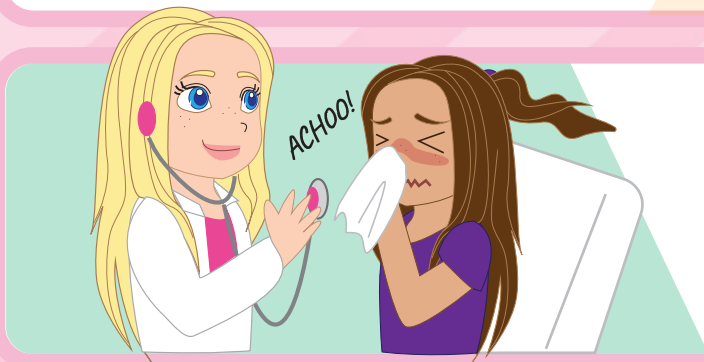

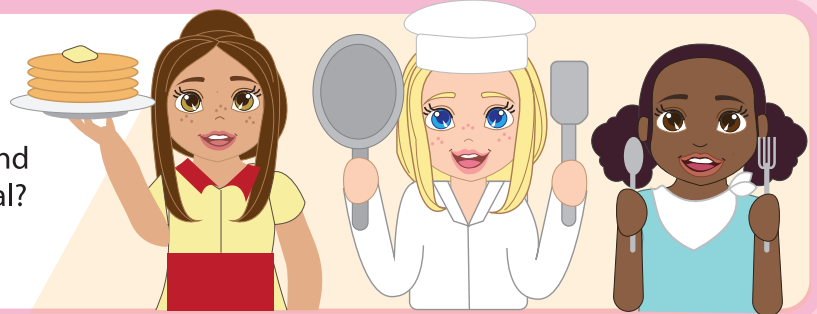

Play a game together

Grab your favorite board game and play with her and her friends. Who will win? Will the winner get a prize? You decide!

3

Open a restaurant

Take turns being the chef, the customer and the waitress. What will be her favorite meal? What will be yours?

4

Give your doll a checkup

Make sure you and your doll are healthy and strong. Take turns being the doctor and the patient. Is your doll sick? What medicine will she need?

5

Host a talent show

Get all your dolls and stuffed animals together and have them sing and dance together! Who will be the talent show judges? Who will win the talent show? What will their prize be?
