WARRANTY INFORMATION

Worldwide, Rubber Road Ltd warrants to the consumer that all Numskull products will be free from material defects and manufacturing flaws for a period of one (1) year from the original date of purchase. Should the product appear to be defective during the warranty period, immediately contact Technical Support, who will indicate the procedure to follow. If the defect is confirmed, the product must be returned to its place of purchase (or any other location indicated by Technical Support).

Within the context of this warranty, the consumer’s defective product will, at Technical Supports option, be either repaired or replaced. Where authorized by applicable law, the full liability of Rubber Road and its subsidiaries (including for indirect damages) is limited to the repair or replacement of the Numskull product. The consumer’s legal rights with respect to legislation applicable to the sale of consumer goods are not affected by this warranty.

This warranty shall not apply: (1) if the product has been modified, opened, altered or has suffered damage as a result of inappropriate or abusive use, negligence, an accident, normal wear, or any other cause not related to a material defect or manufacturing flaw; (2) in the event of failure to comply with the instructions provided by Technical Support; (3) to software not published by Rubber Road, said software being subject to a specific warrant provided by its publisher.

AUSTRALIAN & NEW ZEALAND WARRANTY

These goods come with guarantees that cannot be excluded under the Australian Consumer Law and New Zealand Consumer Guarantees Act. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount of a major failure.

If purchased in Australia or New Zealand, this product comes with a one year (12 months) warranty from the date of purchase. Defects in the product must have appeared within one year from date of purchase, in order to claim warranty. All warranty claims must be facilitated back through the retailer of purchase in accordance with the retailers returns policy and procedures. Any expense incurred as a result of returning the product to the retailer of purchase are the full responsibility of the customer.
