Finish Guide

hollis+morris toronto | hollisandmorris.com

In our workshops at hollis+morris we achieve a fine level of craft and detail by harnessing the qualities of every material that we work with. Our complimentary palette is carefully chosen by sourcing materials from around the world.

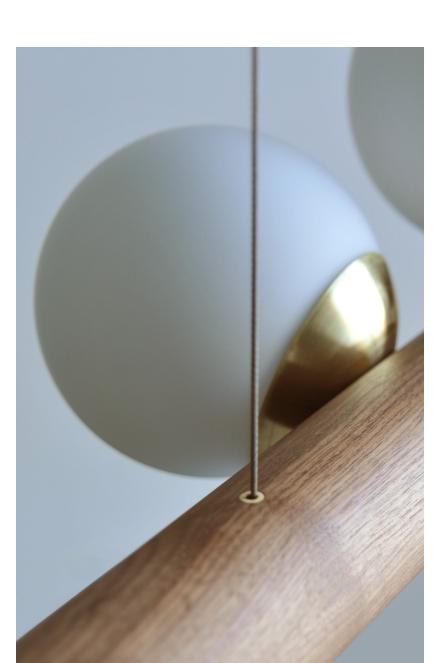

Metal | From natural metal finishes, to powder coated colours, a carefully chosen pallette to enhance your choice.

Acrylic | High quality acrylic is precision cut and polished diffusing light beautifully.

Fabric - Wool Blends | Our wool blends are sourced for their softness, and durability. 70% wool, 30% nylon.

Fabric - Linen | These linen fabrics from Ireland are naturally breathable, soft, and beautiful. 100% linen.
