

# PARKDALE console

Celebrating wood and metal in dynamic union with one another. In this low-profile console, prominent steel components replace the connections that would typically be made from wood, adding intrigue to the slight, minimalist form. Two floating surfaces create storage and void space, enhancing the attention paid to the table's essential moments of joinery.

## DIMENSIONS + ELEVATION VIEWS

## PRODUCT DETAILS

### MATERIALS

- Solid Wood
- Metal

### FINISH

- Hardwax Oil Finish
