

WILLOW Wall Light

A new member of the Bloom collection of lighting, the Willow Wall Light continues to showcase the interplay of materials – blown glass, metal and wood – and the precision of their connections. Like a strong branch outstretched, the Willow recreates the radical silhouette of a newly budded bough. The soft glow of the Catkin highlights the surrounding wood grain and celebrates the naked beauty of oak and walnut.

PRODUCT DETAILS

MATERIALS

- Solid Wood
- Frost Glass
- Metal
- 12V G4 LED light bulb

FINISH

- Hardwax Oil Finish

COLOR TEMP

- 3000K
- Custom upon request

POWER CONSUMPTION

- 8W

OUTPUT

- 170 lm / bulb
- 480 Lumens

DRIVER + DIMMING TYPE

- 120VAC- 12VDC
12V phase dimmable driver
- 120- 277VAC- 12VDC
0-10V dimmable driver
(upon request)

MOUNTING

- junction box compatibility
- Surface mount, remote driver capability

FIXTURE WEIGHT

- 8 lbs

PRODUCT CODE

- WILOwall

METAL

- Brushed Brass
- Brushed Stainless Steel
- Brushed Copper

- Powder-coated White
- Powder-coated Black

WOOD

- W. Oak White
- W. Oak Natural
- W. Oak Black
- Walnut

DESIGN
