

Fashion

# 12 of the best sustainable activewear brands that support a better planet

By [Noelle Ike](#), CNN Underscored

Updated 10:08 AM EDT, Thu April 18, 2024

*This comprehensive approach to sustainability was consistent among the experts we spoke to. Dinh refers to it as “a multistage process and approach,” while [Jeff Scult](#), self-proclaimed “fashion proactivist” and founder of [One Golden Thread](#), promotes regeneration, an idea that promotes ethical supply chains that result in a net positive to the planet — giving back more than we take.*
