The Little Black Dress

The elevated essentials brand goes beyond sustainability with reforestation and eco-conscious threads. With every purchase, a tree is planted through their reforestation partner, One Tree Planted. *With over 88,000 trees planted, the conscious collective brand is devoted to reforestation through comfort threads fashioned by nature.*

“Divine Collection,” a collection exclusively honoring the female form, fierceness, and feminine spirit. The first piece of this collection, the Little Black Dress

One Golden Thread uses a blend of two of the most luxurious and ethical natural elements from nature – Lenzing Micro-Modal and Supima Cotton. One Golden Thread designs with the end in mind – materials that will naturally biodegrade back to Earth.
