## The Baby Socks Guide

Socks are an important accessory of clothing, and yet they are given the least thought. You might ask yourself, what's so important about stockings, PLENTY!

- 1) Socks are the most used and lost item by children, at school, at home, or daily activities.
- 2) Our socks are smooth, and cozy and, will help with any foot-related discomfort.

Piccolo socks will assure your store has high-quality socks for your customers.

↪ Style: 2700

Our socks can help keep little feet dry and warm, as well as:

- Regulate baby's body temperature.
- Helps them fall asleep.
- Protecting them from the cold, dirt, and scratches, and relieve rubbing on shoes.

When choosing baby socks, the following should be considered:

**Design:** Look for socks with a snug, secure fit to not falling down.

**Material:** Choose socks made of soft, and breathable materials.

Specialists recommend that, during the first 12 months of age, newborns go barefoot but use socks to protect them from the cold.

*"Piccolo is a great company to work with. They are one of the most reliable vendors in the market. Their service and shipping are impeccable, and their product quality is great."*

# Winter Tights

*Fleece-lined, Cable Heavyweight,  
and Flat Heavyweight Tights*

*"Piccolo Hosiery has been our core vendor for tights for many years now! They are always very easy and professional to work with."*

*"From ordering to billing, the process and the people are wonderful. I would and do recommend them to anyone!"*

**Michael Gosting - Once Upon a Child  
Franchise Store Owner**

*Transforming Accessories  
into Revenue with the Best  
Winter Tights Styles*

These heavyweight tights are made of soft material with lots of elasticity, so they'll quickly become a staple in the little one's wardrobe.

Our designs add a dash of delight to any look, making their school days and family gatherings cozier.

They're available in cable and flat design. These are thick and best for cold winters and made in 12 solid colors, with a cable knit or flat knit design, for infants and big girls. We recommend ordering them for the fall/winter back-to-school season.

**TIP:** These tights are a must for every little girl. Whether they're playing at school, or dressing up for a special occasion, these thicker tights will keep those feet and legs covered from colder days.
