BLANC DE BLANC

Our first sparkling blanc in a decade is here! Crisp and bright, this balanced acid blanc de blanc greets you with dreamy honeysuckle on the nose, citrus and grass over a hint of toast, giving way to a subtle sweetness on the finish. Fine bubbles give a silky mouthfeel in the crémant style. Our cuvée is crafted from Sonoma rooted Chardonnay and coastal Chenin Blanc, both harvested early for delicate flavor, lower alcohol, and a brilliant tinge of tart crispness.
