CLASS OVERVIEW

PRODUCT KNOWLEDGE PARTICIPATION / DEMO

Learn how pore size and a few key questions can reveal a person's skin type regardless of their color, gender or ethnicity. You will get an overview of Tuel and better understand the advantages of using hydrophilic products in your facials. Class fee is non-refundable.

ADVANCED SKIN + BODY HANDS-ON

Get an in-depth understanding of how to use all Tuel products. You will learn which products are right for each skin type and condition. Class includes detailed instructions on skin analysis, exfoliation, extractions, electrical equipment and showerless body treatments. You will also learn valuable techniques for effortlessly rebooking clients and retailing products.

ADVANCED WAXING HANDS-ON

Become proficient in head to toe waxing, including bikini. Learn proper body positioning and efficient techniques to reduce your waxing time and increase profit. You will also learn industry standards in pricing and how to prepare your client for normal reactions. Discount given when combined with Brazilian Waxing class.

BRAZILIAN WAXING HANDS-ON

This workshop focuses on safety, speed and technique. You will learn how to make your clients comfortable during this lucrative service and send them home with products that diminish reactions. Watch your business grow as you learn how to successfully start, build and maintain a Brazilian wax clientele. The California class is limited to 12 students with one-on-one instruction.

SKIN CONDITIONS ONLINE COURSE

This 10 hour online course will give you a better understanding of those challenging conditions like acne and rosacea, along with more in depth information on mature skin and an introduction to oncology skin treatments. PRE-REQUISITES for this course are The Complete Package and The 5 day Advanced Skin and Body Class. Two hours per date from 10am-12pm (PST). Student must complete all 10 hours to receive completion certificate.

DERMAPLANING 101 ONLINE COURSE

This online course will give you the knowledge and confidence to use this modality. You will learn positioning and hand movements, how to identify contraindications and who is best suited for this treatment. In addition, you will learn how to incorporate it in your facials and peel treatments. Includes a 2 hr live zoom.
