

# THE GRADUATE PACKAGE

---

## OUR MOST COMPREHENSIVE PACKAGE

The Graduate by Tuel | Berodin is designed with your product needs and budget in mind. Whether you are just getting started in the industry or looking to improve the quality of the products you currently use. The Graduate is the perfect package to get you started with Tuel | Berodin.

You will be able to provide a variety of services while becoming familiar with our effective, botanically based skin care and superior wax products. This kit will allow you to perform facials on all skin types and conditions including acne, anti-aging and reactive skin. You will have the ability to do about 20 treatments, 15 slimming body wraps treatments, and wax all body parts. These advanced educational tools offer step by step instruction and will give you the confidence to perform professional services.

The Graduate is the perfect start to your career and a great way to experience our premium line of Tuel and Berodin products. You can feel confident knowing that you are using products that will deliver visible results.
