

TESTER KIT

THE FASTEST WAY TO LEARN TUEL

The Tester Kit allows you to purchase Tuel Skin Care line in a very streamlined manner. This is the best way to check out the line and learn how amazing our botanically based products are while performing facials on all skin types. You will have the ability to do about 20 treatments. The Tester Kit comes complete with a Tester Kit Booklet and access to our Facial Techniques online training.

Tuel offers packages to fit every business need. The Tester Kit is a great introduction if you are brand new to the line. If you love Tuel after using the Tester Kit, the next step is the Complete Package. The Complete Package offers the best value and is designed to provide the full line of retail products to your clients as well as a complete back bar for your services.
