THE PREMIUM GAYNOR MINDEN POINTE SHOE

LYRA, Gaynor Minden's new line of flexible pointe shoes joins our existing line, now known as EUROPA.

Secure alignment and effortless roll-through – recommended for all dancers, especially those who prize expressive footwork.

Italian-made Premium Weave Soft Satin is exclusive to Gaynor Minden.

Most dancers wear the same size in both LYRA and EUROPA.

STANDARD LOW VAMPS *New!*

Give dancers the best possible fitting experience. While many dancers love the support of the **DEEP VAMP**, other dancers prefer the look, alignment, and added flexibility of the **LOW VAMP**.

FOR THIS REASON, LOW VAMPS ARE NOW A STANDARD OPTION IN MANY LYRA SIZES! SEE PAGES 4–5 FOR MORE INFORMATION.

Most **STANDARD SIZES** are readily available in all five shanks. **STANDARD SIZES** with **LOW VAMPS** are readily available only with *FeatherFlex*, *Supple*, *ExtraFlex*, and *Hard* shanks.

STANDARD SIZES

We allocate our best delivery times to the size specifications that most dancers prefer. **STANDARD SIZES** represent the vast majority of our pointe shoe sales — and probably yours too. Because demand for them is consistently high we try to ensure that they are always in stock.

Most **STANDARD SIZES** are readily available in a variety of shanks, with options for widths and boxes, and with the vamps and heels that most dancers prefer.

NON-STANDARD SIZE specifications are also available as a made to order option at no extra charge!
