COLORING BOOK

cuddle + kind

Welcome to our spring 2024 coloring book!

We created this coloring book to provide some fun for you and your little one: an activity to bond over. As you and your little one's color, see how many eggs you can find! We hope it brings your family joy, inspires kindness and creates memories of coloring together that you'll cherish forever.

Every lovingly hand-knit doll in our collection provides meals to children facing hunger; 1 doll = 10 meals. Together, we've provided over 31 million meals! And, we support over 1,000 artisans with fair trade income.

Feel free to share our coloring book with friends and loved ones.
