HD SOURCE CLOSE ENCOUNTER WITH SALT-E DOG

Recently we saw the environmentally friendly portable power from Anton Bauer called Salt-E Dog. Using sodium chemistry, the 9kWh battery delivers consistent, reliable power that is cleaner and more environmentally safe than fossil fuel or lithium generators.

HD SOURCE TIP OF THE WEEK

When using a Sachtler ACE XL head, always tighten the clamp knob for the quick release plate all the way in. When the plate is off, a knock to the side of the head could mean breaking threaded screw inside, causing production delays.
