KRITINOVA®

About Kritinova

At KRITINOVA, our mission is to build a Global Ecosystem to promote **Indian ethos** through modern technology driven platforms and high-quality products in literature, fashion, home décor and lifestyle.

Having lived in the UK for more than a decade, founders felt limited access to products and creatives based on our **Sanskriti, Sanatan Dharma and Sanskrit language**.

This gave fuel to their desire of 'We must do something.' And to bridge the gap, KRITINOVA came into existence.

We are a group of Indian researcher intelligentsia, self-taught Artists, wise curators of ancient Vedic knowledge, creative designers and visionary business personalities.

Kritinova has acquired exclusive online

and offline rights for the brands – **Sanjeev Newar, Ritvijam** and **KriRon** in India and abroad.

With our consistent and persistent working approach, in a very short time, we have created **1000+** branded products.

In our working approach, **we are lean too**. Meaning, whatever we do, we make sure we produce minimum or no waste, do it on time and deliver exceptional quality.

Our beautiful creatives can add attitude, intellect, art, luxury and comfort into your lifestyle and above all help you reconnect with your roots.

Our Founders

All the products at KRITINOVA are designed and developed by Ronak Trivedi. A patriotic self-learned artist, Ronak Trivedi loves machines, robots and advanced technologies.

His mission is to make Indians adapt to the Sattvic lifestyle even when surrounded by different cultures and environments. An advocate of renewable energy products and zero waste management, Ronak envision providing exposure to Indian products and heritage on a global platform that depicts true Indian history, dharma and art & culture.

Kruti Trivedi, Co-Founder

Sanskrit is not only the oldest language and mother of most languages, but also the source of wisdom for all of us.

Through various Sanskrit creatives, "KRITINOVA" is attempting to bring out original scientific insights into the Sanskrit verses and words that remain hidden due to misleading or superficial translations.
