Knowledge is valuable, but nowhere is this more the case than when it comes to safety. In 1983 we developed the original lifehammer. Now we set a new standard with this new and improved safety hammer.
NEW SAFETY HAMMER PLUS

Innovative safety hammer

Breaking car glass and cutting seat belts.

https://vimeo.com/user12940431/review/76863566/53927255c9

Non-slip grip

Advanced seat belt cutter

Carbon steel hammerhead

TÜV certified according to new German standards.

Available in graphite and orange.

Winner reddot design award. World’s largest and most distinguished design competition. We are very proud that our innovative new lifehammer product line won in the category automobiles, transportation, commercial and water vehicles.
