

LIFE-HAMMER®

N°1 CAR SAFETY EXPERTS

ONE SIZE FITS ALL

PLACE UNDER CARPET

SAFETY VEST

ULTRA

Keep your safety vest in the cockpit of the car. In case of an emergency always put on your safety vest before leaving the car. Place this ultra-flat safety vest under every carpet. This way all car occupants will have their own safety vest within reach.

NEW
SAFETY VEST ULTRA

+ Ultra flat safety vest for under the carpet.

+ Safety vest x4: - driver (x1)
- front passenger (x1)
- back passengers (x2)

+ Always within reach.

+ Place a safety vest under every carpet.

+ Watch the video demo.

<https://vimeo.com/user12940431/review/89714401/f49a1b0e3a>

+ Patent pending

+ Always put on the safety vest before leaving the car.

+ EN ISO 20471:2013 (class2)

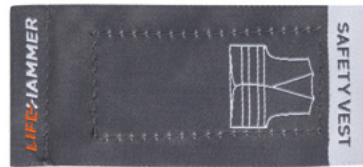

+ One size fits all

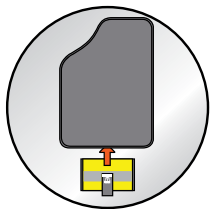

+ Easy installation

Use the HI-VISIBILITY LABEL to attach the vest to the carpet. Also use the label to pull the vest from under the carpet in case of an emergency.

Including
HI-VISIBILITY LABEL

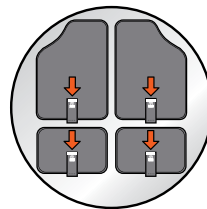

EASY INSTALLATION UNDER EVERY CARPET

Fix the HI-VISIBILITY LABEL on the vacuum bag. Put the safety vest under the carpet and fix the HI-VISIBILITY LABEL to the carpet with the sticky strip.

EASY TO USE ALWAYS WITHIN REACH

Keep a safety vest in the cockpit. Always put on the safety vest first before leaving the vehicle. This ultra flat safety vest can be stored out of sight but still within reach under any carpet. This safety vest is always easy to find thanks to the HI-VISIBILITY LABEL.
