

Song 5 : GEGO NAWAKANE(Don't Cry)

This song is about going to the spirit world. Going to the spirit world, or losing your friend, who has gone to the spirit world, or someone who has lost their friend, lost their boyfriend, lost their girlfriend, lost their husband, lost their wife. It's a song about emotions, it's a song Gego Nawa Cane, means "Don't Cry". And it is sometimes sung at many wake services. I sing it all the time at wake services. It goes like this...
