

Dear parent, guardian,

Thank you for registering your child in our sewing club. We look forward to welcoming them to our studio. Here are some things you should know:

1. Contact Form: Please complete the contact form using the link on the Kids Sewing Club webpage. ****Your child will not be allowed to attend until this form is submitted.****

2. Health and Safety: Clear safety instructions will be given during the class to keep everyone safe. Each student will have their own work station with tools for the club. If your child is experiencing any illness please do not come to club but call and let us know.

3. Drop-off and Pick-up: Pick-up and drop-off at the door. Drop-off opens 10 minutes before the start time. Please do not drop-off your child earlier than this as we are working hard to prepare for their club experience. You may pick up your child from 5 minutes before the stated end time each day until 10 minutes after. If you will be later please give us a call and let us know.

4. Supplies: Supplies lists for the first projects are listed at the end of this document. Most students will complete 2-3 projects. Future supplies lists will be emailed to you by request before they are required for club projects. If you would like to purchase supplies at the studio please do so outside of club time, or come early. You will receive a 10% discount on supplies for classes.

5. Refreshments: Water is provided. **Please send a labelled cup/water bottle and nut-free snack (if desired)** with your child. Thank you.

6. Behaviour: We expect all our students to be respectful and attentive. If your child is unwilling to do so after being asked to correct their behaviour we will contact you to immediately come and pick them up.

Please complete the online Contact Form before the first day of sewing club.

If you have any questions please contact us at 604-492-0508 or email info@thestitcherystudio.ca.

Thank you.

Regards,

Jill Schuler (on behalf of our teachers)
