

## **Supplies required for Learn To Use My Sewing Machine class**

This class is designed to help you get set up to sew on your machine. This class is not suitable for embroidery or long arm machines (please ask about private lessons).

### **Please bring with you:**

- Sewing Machine
- Manual
- Foot pedal and power cord
- Bobbin
- Thread and fabric scraps (Optional. Some will be available in the studio)

### **NOTES:**

**1. To get the most out of the class please make sure that your machine has been serviced and is in working condition.**

**2. Our teacher will do their best to help you get set up and sewing on your machine. If you do not have a manual they may not be able to help you figure out all the required details to get it running well.**

#### **Policies and Refunds**

Our class sizes are limited so you get the best instruction and attention you need.

Our studio is bright and spacious but please bring a face mask for times when distancing is not possible. Tea and water will be available - please bring your own mug.

Covered parking is available off Spring Street if the street parking is full. Parking passes available.

In the studio you are expected to follow instructions and safety guidelines for your own safety and to avoid damage to machines and tools.

To be fair to those who sign up for classes or events and particularly for those on waiting lists we require full payment to reserve your spot in a class. Cancellations made more than 1 week in advance of the class or event will receive a 50% refund. For cancellations made less than 7 days in advance no refund will be given. If we have to cancel a class due to low enrolment you will receive a full refund. Alternatively you can transfer the registration to another class or event. Further information on our policies can be found on our website.
