ABOUTT

ABOUT

Led by the talented duo Mira and Valerii, MIO GALLERY continues to push the boundaries of their craft, leaving a lasting impact in the world of paper art.

Driven by passion for creating extraordinary paper flowers, Mira and Valerii constantly embark on ambitious projects that push the boundaries of their craft. These intricate paper blooms stand as a testament to their dedication and commitment to producing exquisite handmade art.

Their impressive portfolio includes collaborations with prestigious brands like Guerlain, Gucci, Sephora, Riggs Hotel, Veuve Clicquot, Lladró, Buddha Bar, Botanic Sanctuary and others.

BOTANIC SANCTUARY HOTEL

BOTANIC SANCTUARY HOTEL

Experience the captivating fusion of nature and art at Botanic Sanctuary Hotel's lobby, where oversized paper flowers, meticulously handcrafted with precision and creativity, command attention and evoke a sense of awe.

SEPHORA SS23 PRESS DAY

SEPHORA SS23 PRESS DAY

Creation of the stunning installation of oversize paper poppies for the Sephora Press Day SS23 event.

The venue, Cercle d'Aumale, was transformed into a whimsical garden with vibrant poppies meticulously crafted to replicate the intricate details of real flowers.

In addition, 600 small paper poppy bouquets were presented as gifts to the guests.

The collaboration between Mio Gallery and Sephora brought together nature and artistry, creating a captivating wonderland.

GRAND-PLACE IN BRUSSELS

GRAND-PLACE IN BRUSSELS

Mio Gallery's oversized whistle flower represents the fusion of art, nature, and imagination at Flowertime 2023.

This unique creation serves as a symbol of artistic triumph and the limitless possibilities of creativity.

As the world explores the surreal,
Mio Gallery's 4-meter masterpiece invites
visitors to dream beyond the ordinary,
adding a touch of whimsy to the enchanting
setting of the Grand-Place in Brussels.

RIGGS HOTEL

RIGGS HOTEL

Riggs Washington DC, housed in a historic building, features a custom flower case installation as the centerpiece of the café.

This mesmerizing display showcases a vibrant collection of paper hydrangea, peonies, hibiscus, iris, tulip, orange blossom, dahlia, red berries branches, calendula, and roses, meticulously arranged to resemble a whimsical bouquet.

The composition draws inspiration from Dutch and Flemish painters, combining flowers from different countries and continents to create a profusion of intensely colored blooms.

Each flower represents a unique symbol, from romance and prosperity to power and freedom, immersing guests in a world of beauty and enchantment.

GUERLAIN FLAGSHIP STORE PARIS

GUERLAIN FLAGSHIP STORE PARIS

Mio Gallery's Paper Flowers scenography project transformed GUERLAIN's flagship boutique in Paris into a captivating floral wonderland.

With over 2000 meticulously crafted paper flowers adorning the boutique, the installation celebrated the launch of a new fragrance, creating an airy and delightful atmosphere.

Inspired by nature, delicate paper Garden Roses, Lilies, Hydrangeas, and Dahlias in full bloom adorned the window displays, main stairs, and a towering backdrop, adding a touch of enchantment to the legendary Champs-Elysées boutique.

GUCCI NEW SPRING COLLECTION

GUCCI NEW SPRING COLLECTION

Mio Gallery collaborated with GUCCI to create a vibrant paper flower backdrop for the presentation of the new GUCCI collection.

The backdrop featured a stunning arrangement of paper roses, geranium flowers, and leaves, meticulously crafted in bright colors to complement the fashion collection.

This artistic installation added a touch of whimsy and beauty to the event, showcasing the seamless fusion of fashion and art.

SEPHORA SS23 CAMPAIGN

SEPHORA SS23 CAMPAIGN

Production of a series of paper poppies for Sephora's SS23 campaign.

Known for their exceptional craftsmanship, Mio Gallery crafted real-size paper poppies to be used as the focal point of the campaign.

These vibrant and intricately designed paper poppies brought a touch of whimsy and beauty to Sephora's campaign, creating a visually captivating and memorable experience for the audience.

KANPPI HELSINKI

KAMPPI HELSINKI

To celebrate Kamppi's 15th anniversary, Mio designed a magnificent paper flower garden installation as the centerpiece of the shopping mall.

Experimented with various techniques and shapes, creating realistic flower bulbs, leaves, and paper grass in vibrant colors.

The garden featured an array of stunning paper flowers, including Calendulas, alliums, irises, poppies, and echinaceas, captivating visitors and guests with its impressive late summer beauty.

OUAL COMM ECONOMIC HORUM

QUALCOMM DAVOS ECONOMIC FORUM

Mio Gallery had the privilege of transforming the Qualcomm House for the World Economic Forum in Davos 2022.

The main room was adorned withlarge paper roses, while an exquisite flower arch installation greeted guests outdoors.

The choice of ochre and wine tones perfectly complemented the event's elegant and classy style.

The art installation captured the attention of CEO Cristiano Amon, who happily posed in front of the magnificent paper flowers, serving as a testament to their beauty and impact.

ONE HUNDRED SHOREDITH

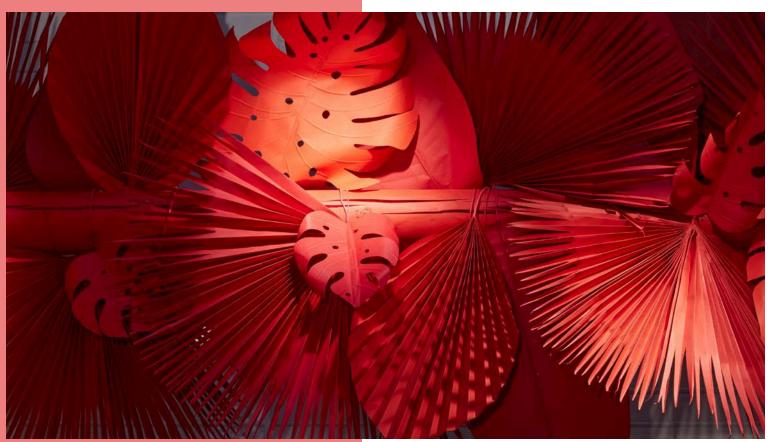

ONE HUNDRED SHOREDITH

Mio Gallery collaborated with Lore Group to create a paper art installation for the Lobby Bar of One Hundred Shoreditch hotel in London.

The bar is transformed into a vibrant and inviting space with a giant paper artwork in flamboyant red.

The focal point of the installation is a dynamic centerpiece made of various shapes of paper tropical leaves, including monstera leaves, fern palm leaves, and bird of paradise leaves, creating an eye-catching and captivating atmosphere.

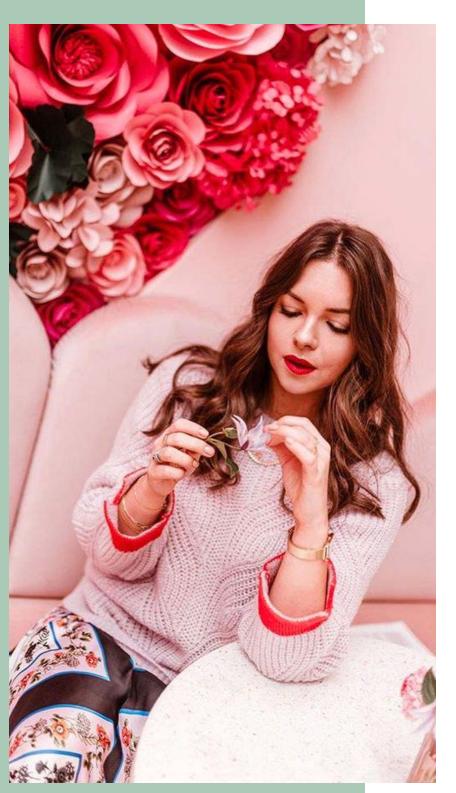

CONCEPT STORE

MOOY BEAUTY CONCEPT STORE

Enormous paper flower bouquet, a standout feature in the cafe's space.

The bouquet showcases a harmonious combination of at least 7 different flower types, skillfully suspended in the middle of the area.

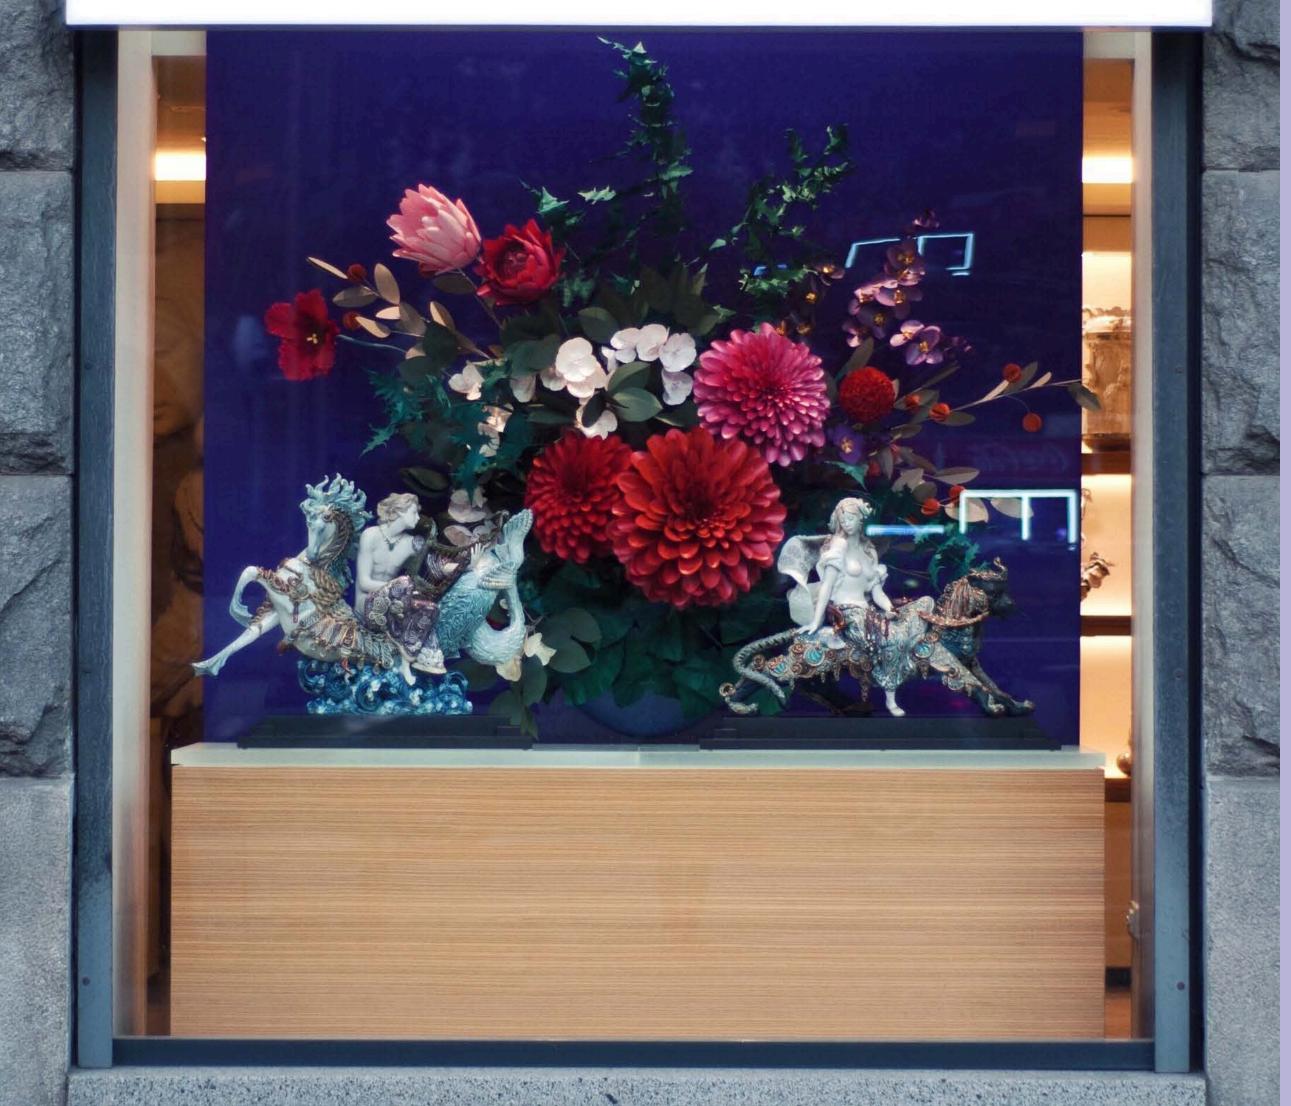

With its vibrant colors, the bouquet creates a captivating "WOW" effect, with special attention drawn to the meticulously crafted paper hibiscuses and dahlias.

Complementing the arrangement are delicate purple paper irises and forget-me-nots in soft blues, along with deep green leaves that make the bouquet truly stand out against the pinkish wall.

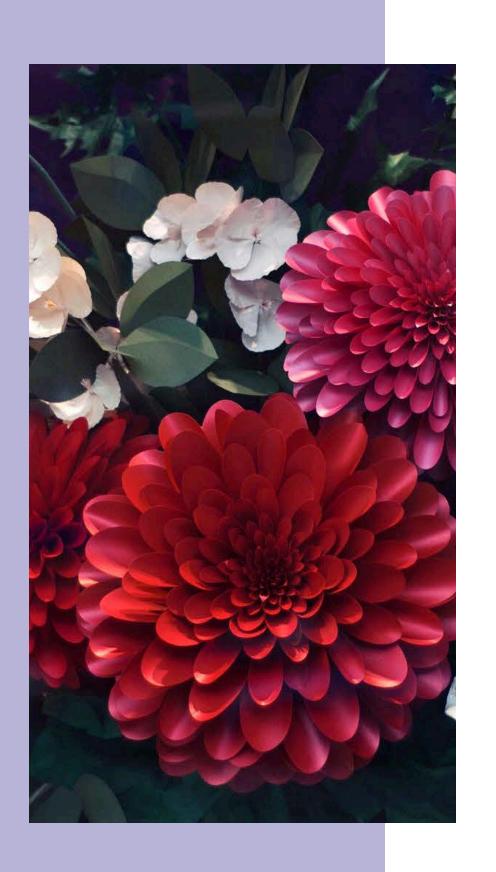

LIADRÓ DISPLAY

LLADRÓ AUTUMN WINDOW DISPLAY

Mio Gallery created a stylish autumn paper flower arrangement for Lladró's Autumn 2017 window display.

The arrangement features a mixture of different flowers and leaves, including paper dahlias, parrot tulips, orchids, protea flowers, and green thistle plants.

The composition is posh and sophisticated, showcasing the artistry of paper flowers.

PINK MAZINE

PINK MAGAZINE

Conception and production of a paper set design for a shooting campaign, representing tropical leaves and folded paper heart flowers.
