

MARGARITA RECIPE

**½ gallon of Margarita Mix
2 liters Tequila
1 liter triple sec
4.5 - 5 gallons water (to taste)**

Add ½ can of frozen O.J. to sweeten.

Mix well in provided container and pour contents to fill line in margarita machine.

Let set for 2.5 to 3 hours to freeze.

**NOTE: THE MARGARITA'S MAY NOT FREEZE IF THE
MARGARITA MACHINE IS USED OUTDOORS.
PLEASE USE MACHINE INDOORS FOR BEST RESULTS.**

If you have mix left over, pour into machine as the margaritas are consumed. Do not let mix empty; continue to fill to keep mix frozen.

ENJOY!
