Color Stories

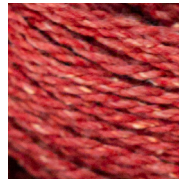

CERISE: Berries and cream. Blackberry Sorbet with a nod to Orchid hues.

HONEYCRISP: Candy apple red softly shades to watermelon. Bright and bold.

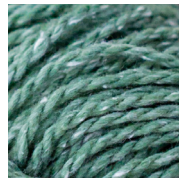

MEDALLION: Shifting fields of golden wheat at sunrise. Rich saffron that fades to a dusty turmeric.

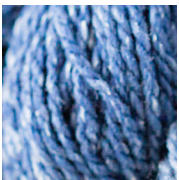

BLAZE: Cooling steel at the forge. Rusty red-orange with cotton flecks of the palest yellow.

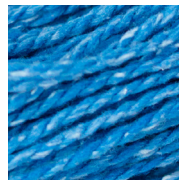

SEAFOAM: Celadon over porcelain. Silvery sage. A gentle green, leaning slightly warmer than Canopy.

CANOPY: Light feathering through a grove of eucalyptus. Spring green that leans slightly cooler than Seafoam.

COSMOS: Your favorite pair of well-worn jeans. Dark denim, softly faded.

BLUEPRINT: Bright blue ink scribed across graph paper. A bold and cheerful cerulean blue.

PLINTH: Polished stone. For the lover of soft grey, a delicate, cool neutral.

ANCHOR: Rich charcoal spangled with creamy flecks of cotton. A sophisticated neutral, fitting for any wardrobe staple.

NATURAL: Soft ivory. Merino and cotton fold together in pure, undyed form without color variation.
