Color Stories

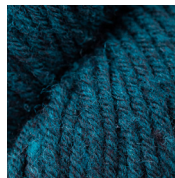

CREPE: Warm, smooth cream with subtle accents of toasty brown.

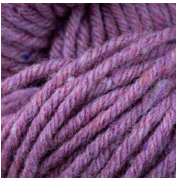

HUMMINGBIRD: Iridescent melange of verdant greens and glints of yellow, red and navy.

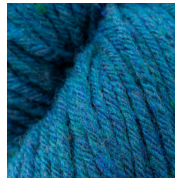

VAPOR: A powder blue sky viewed through puffy, white clouds.

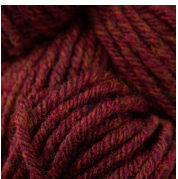

TERRARIUM: The depths of a lagoon under shady trees, blackened teal with flashes of aqua.

ORCHID: Dusty lilac woven with delicate blooms of rust and navy.

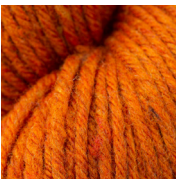

DIEBENKORN: Deepest turquoise inlaid with ribbons of dark teal.

CLOAK: Autumn-rich rust threaded with yellow, orange and black. A campfire's last light.

BORO: The inky blue of the ocean by moonlight with splashes of brilliant azure.

LANTERN: The molten orange glow of candle flame, pumpkin meets butternut.

CARBON: Charcoal smudged on textured paper, a cool-leaning, coal black.

WARBLER: Echinacea tea with honey. Goldenrod yellow peppered with rust, ochre and brown.

ASH: Cool slab granite and rough pumice stone with motes of cavernous black.
