

# SHELTER<sup>®</sup>

## *Color Stories*

**HOMEMADE JAM:** A syrup of mixed ripe berries. Cool red tempered with blues, purple, black and brown.

**VENEZIA:** Bright, burgundy wine, jammy purple-red.

**CAMPER:** Red dawn streaked with wisps of cloud. Soft red, heavily frosted with white and revealing hints of rust, purple, and gray.

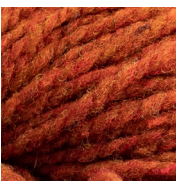

**LONG JOHNS:** Woodsmen's flannel shirts. Shadowy crimson tinged with brown as well as black.

**CARDINAL:** Red-breasted robin, cheery cherry, a happy, classic red.

**WOOL SOCKS:** Peak autumn foliage. Red brown warmed by rust, camel, orange, and yellow.

**EMBERS:** Fox fur gilded by late sunlight. Rust burnished with red, brown, orange, and yellow.

**FIREBALL:** Fiery comet trails, cinnamon candy, a dusty peach-red.

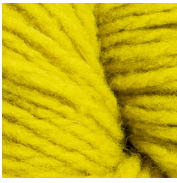

**BALE:** Summer hay meadows. A gentle, pale, straw gold touched with brown and rust.

**HAYLOFT:** Harvest time amber gold. Yellow caramelized with brown and garnished with orange and olive.

**SAP:** Green-gold tree frogs in full spring chorus. A base of yellow shot with olive, bright green, orange, and brown.

**POLLEN:** The chartreuse center of a flower, a luminous yellow-green.

**LEMONGRASS:** Butter lettuce, dewy chives, an herbaceous new growth green.

**YELLOWSTONE:** Warm moss agate, freshly collected from the river valley. A rustic blend of gold, rust, and umber.

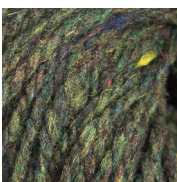

**KLIMT:** Burnished gold, earthen hay, rich turmeric.

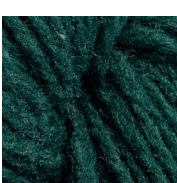

**FOOTHILLS:** Prairie haze. Fields after the harvest. A mild sage green comprising white, gray, and yellow shaded with black.

**ARTIFACT:** Late summer in a conifer forest. Our darkest and earthiest green is a blend of black, yellow, olive, and brown, touched with white and navy.

**BIRDBOOK:** The world beneath the Amazon canopy. A smoky, lush mix of olive, black, and green shot with parrot streaks of yellow, red, and navy.

**FOREST FLOOR:** Old growth pine trees, cool hunter green.

**BUTTON JAR:** Mallard's plumage, a playful but sophisticated teal of bright blue and green muddled with brown and black and then deepened with olive and yellow.

**NORTHERN LIGHTS:** Rubber garden boots, vibrant malachite, riparian kelly green.

**TARTAN:** The green and blue of the banks and braes. A dashing peacock hue melding all our blues with teal and a shading of black.

**FADED QUILT:** Ripples in the lake. A smoky, comforting blend of blues with white, brown, and gray.

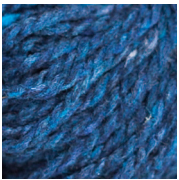

**ICEBERG:** Glacial horizons on a clear summer day. A pale icy blue with flecks of aquamarine, turquoise, and cerulean, under-lit with creamy white.

**FLANNEL:** Work-worn denim. A mixture of blues distressed with white, black, and a touch of gray.

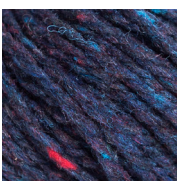

**DELFT:** Delicate porcelain paint, lapis-hued periwinkle, creamy sophisticated blue.

**ALMANAC:** Bluewater sailing. A seafarer's blend of three blues shaded with black and enlivened with a few frisking whitecaps.

**CADET:** Bright Mondrian, electric Admiral, true blue.

**OLD WORLD:** An Impressionist's starless night. A meld of black and navy grounded with a touch of gray and brown and shot through with bright blue and a frisson of red.

**DEEP DIVE:** Ocean depths, crisp polo shirts, stately navy blue.

**PLUME:** Inky, regal purple. A symphony of black, purple, and navy with undertones of red.

**BLANKET FORT:** Twilight on the porch swing. A cool lavender with hints of navy, purple, and red.

**POSTCARD:** The pearly first light of winter dawn. A gentle newsprint gray lit with flickers of red.

**FOSSIL:** Warm sandstone, windswept dunes, a timeless pale neutral.

**PUFF (undyed):** Sun-warmed sourdough, creamy natural fleece.

**WOODSMOKE:** Cool mornings, crackling leaves, smoky brown misted with white.

**NEST:** Rich bark-brown flecked with downy white.

**TRUFFLE HUNT:** Sleek seals' fur reflecting the waves. A milky brown shaded with black and navy.

**METEORITE:** An unearthly metallic brown shaded with black and laced with primary blue, yellow, and red.

**CAST IRON:** Deepest black seasoned with a dash of luminous white.

**SOOT:** Cool, dusky gray, charcoal dusted with wood ash.

**STORMCLOUD:** The river at flood stage. A dusky blue-brown blend of gray, brown, and white with a peppering of navy.

**SWEATSHIRT:** Cozy, comfortable mid-gray that goes with everything in your closet.

**PUMICE:** Coastal cairns, foggy shorelines, frothy stone-gray flecked with black.

**SNOWBOUND:** The hush of gathering clouds, a crisp, wintry gray.
