

16/45 END TABLE

Crafted from walnut, the table's lean, tapered base cradles a smoked grey glass top. The War Craft Collection was inspired by and originally made with reclaimed teak from the decommissioned USS North Carolina. Each piece of the War Craft Collection explores different elements of the battleship—the 16/45 End Table alludes to the colossal calibers of the shells that were onboard, visualizing the scale of modern warcraft.

DIMENSIONS

D21 H18

AVAILABLE IN

WALNUT/ GREY GLASS
S1WCET018053

DETAILS

- Grey glass surface cradled within frame
- Solid walnut frame

NOTES

- See Assembly & Care Instructions for more information
