

## CYCLONE LOUNGER - LIMITED EDITION

Part of the Smithsonian Renwick Gallery's permanent collection, the Cyclone Lounger is inspired by Coney Island's famous Cyclone coaster. The Limited Edition Lounger is made with reclaimed ipe wood from the original Boardwalk. The lounger's undulating wood seat and its crisp laser-cut metal base emulate the historic coaster's wood track and steel frame design. Capturing the physical stability and the dynamic energy of the coaster, the Cyclone Lounger represents the intersection of Brooklyn's living history with modern narrative design.

## DIMENSIONS

L69 W22 H40

## AVAILABLE IN

WHITE BOARDWALK IPE/ WHITE  
S1WCLC015811
