SHELL

UNIVERSAL TABLE TOP
DIVIDER SYSTEM

SHELL | UNIVERSAL TABLE TOP DIVIDER SYSTEM

OVERVIEW

- Privacy panels allow for more personal space, act as protective barriers, and offer noise reduction into open plan spaces.
- Retrofit your current desk or workstation system with our privacy panels. Remove or add as a flexible fixture, without damaging current furniture.
- Compatible to retrofit on systems with existing dividers
- Adjustable brackets allow our panels to fit Uhuru workstations and tables, as well other manufacturer's furniture.
- Brackets and mounting hardware available in Uhuru standard metal finishes. Custom colors available.

DIVIDER OPTIONS

Standard height options: 18", 24"

NOTES

ACRYLIC

- Easy to wipe and sanitize to eliminate the spread of germs.
- Choose between clear, frosted, or smoked acrylic for a transparent or semi-transparent look.

ZINTRA®

- Available in a variety of in-stock colors.
- Easy to wipe and sanitize to eliminate the spread of germs.
- Great for absorbing sound, and reduces echos and noise levels.
- Flame Retardant.

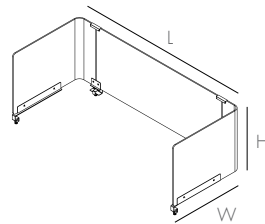

Not seeing what you're looking for? We have alternative custom materials available (Antimicrobial laminates, etc) and can accommodate custom panel sizing.
