

Our most stylish stain colours

Staining and finishing doors is a challenging task for DIY. Let Viba do it for you.

Here are 6 of our most popular colours to help you decide on the right look for your space

If you have a different colour or look in mind please contact us on how to specify it in your order.

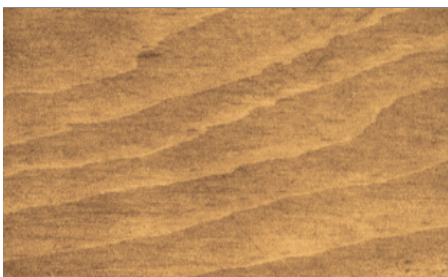

Double Espresso

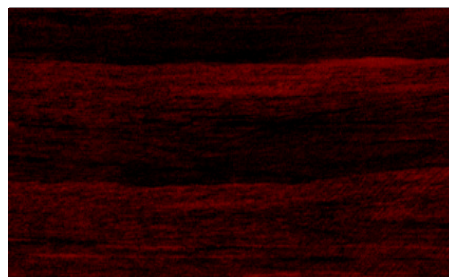

Urban Grey

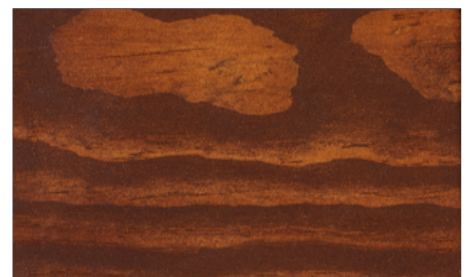

Ebony

Colonial

Black Cherry

Canadian Maple

Colour samples have been created in a controlled environment and photographed on pine. Please note that there will be variations in colour on different screens that will slightly alter the colours. Final colours may also be affected by the wood that it is applied to.
