Like Timothy C., who spent decades on the police force, and went from having pain and inflammation all over his body, at times barely able to walk... to pain-free and down 35 lbs.

“I usually do not pay much attention to websites... but I did see that your aim was to fight inflammation... and I was desperate enough that I decided to try the powder.”

## He Couldn't Believe What Was Happening

“I was amazed that after about three days, my knees cleared up nicely. I was walking normally. My right knee has not hurt even once since.”

## It'll Work For You Too – Guaranteed!

# All-Natural Energy Boost Kept Secret By the Russian Military for Decades

To your body, oxygen means energy. That's why elite athletes train at altitude, and privileged celebrities line up at "oxygen bars" for a boost.

As we age, our red blood cells decline. Our body becomes less efficient at using and shuttling the oxygen we do get. By the time you reach 60, you've lost HALF your ability to use oxygen.

No wonder we're all so tired.

But that's about to change. With the Russian energy secret, rhodiola, you can power the active life, health and energy you want and deserve.

Rhodiola starts increasing your physical energy immediately. And it

also increases your mental energy (like clarity and focus). Your brain also fatigues from a lack of oxygen.

## Increase Energy & Zap Stress

Another amazing power of rhodiola is its ability to decrease levels of the stress hormone cortisol, and stimulate "feel good" hormones like serotonin and dopamine. No wonder the Russians wanted to keep it under wraps!

And it's just one of the powerful ingredients in our new Patriot Power Reds formula.

## Add Color, and You Add Energy and Powerful Protection

"Red fruits and berries gain their color from amazingly healthy 'flavonoids.' But they're not just pretty to look at.

They help your body distribute oxygen for energy, and provide powerful antioxidant protection. Combined with a rich array of herbs, seeds, probiotics, enzymes and more... Patriot Power Reds is a simple yet potent way to fully nourish and energize your day."\*

—Dr. Arlan Cage

## Patriot Power Reds: Our Most Anticipated New Formula Ever!

Patriot Power Reds begins with two of the world's most powerful "adaptogens," uniquely powerful nutrients that both spark your energy and reduce stress and inflammation.

Ashwagandha and rhodiola deliver energy to fight both mental and physical fatigue. But they're not stimulants... they work with your body to help you stay in balance... and they work in just minutes! Together, these remarkable herbal wonders support...

- ✓ Physical fitness and stamina
- ✓ Oxygen energy throughout your tissues
- ✓ Healthy mood and lower stress
- ✓ Memory and cognitive function
- ✓ Healthy weight management
- ✓ Thyroid health and essential hormones
- ✓ Healthy aging, sexual health and so much more!

These herbs are just the start. Patriot Power Reds is a blend of 36 fruits, veggies, seeds and more, to deliver powerful antioxidant and heart support that only vibrant, colorful foods can muster.

All in a delicious berry lemonade drink that tastes like a refreshing treat, not one more healthy chore. It has it all, including probiotics, a digestive enzyme blend, curcumin and so much more.

- Delicious berry lemonade flavor
- Only 1 gram of sugar per serving
- Great alone, in smoothies, or combined with Patriot Power Greens
- Just 15 calories

“Muscle strength and stamina decline as you age, and restoring your protein levels will help stop this slide. The type of protein you use is important too. Collagen is an incredible nutrient that brings you back to the common-sense ways of soups and bone broths. But by itself it’s not complete. The unique combination of collagen, Lentein® and the energy spark and heart support of carnitine is the perfect protein choice to keep you strong and healthy as you age.”\* — Dr. Arlan Cage

# Breakthrough Omega-3 Formula Targets Inflammation at Its Core

## NEW: Patriot Omega Resolve

The benefits of omega-3s from fish are clear. Joint support. Healthy digestion. Smooth skin. A strong heart... healthy brain... even a boost for your mood. But as Americans, we don't get nearly enough. And sadly, most supplements ignore the latest research, so even if you do take fish oil, you're not seeing the benefits you could be.

New Patriot Omega Resolve is a next-generation omega-3 supplement, with guaranteed levels of the most important omegas, including what others leave out. Of course, you get EPA and DHA. These are the "gold standard."

But we didn't stop there. We also now understand the specific molecules from omega-3 fatty acids that help "turn off" inflammation, as it's supposed to naturally. These chemicals, called SPMs, or *specialized pre-resolving mediators*, are a huge discovery, and they make sure inflammation stays a naturally controlled part of living, not a freight train out of control.

Now, you can't supplement with SPMs directly. But we've isolated their building blocks, called PRMs, and include guaranteed levels in Patriot Omega Resolve. To help "resolve" inflammation... before it starts.

## Your Blood Pressure Stays Healthy

The nitric oxide boost from ActivOX Daily helps signal your arteries to “relax” and open up naturally. The result is healthy blood flow with healthy blood pressure.

In fact, you could eat an all-veggie diet, run a marathon every day and lose 50 pounds, but if you don’t have enough nitric oxide, your blood pressure will never be really healthy.

## Your Energy Levels SOAR

When circulation is healthy, so are your energy levels. Instead of an afternoon power failure, you’ll be ready to go all day long... just like when you were a kid.

## Your Brain THRIVES

Any first-year medical student will

tell you that healthy blood flow is critical for supporting healthy FOCUS!

## Your Arteries Will Remain Supple and Flexible

Without enough nitric oxide, your arteries may not be able to expand the way nature intended.

## And Your Sex Life?

Blood circulation is directly related to sexual enjoyment. And healthy circulation means... well, you get the idea! And as you’ll soon see, this is true for both men AND women!

## Your Organs Will Stay Nourished and Healthy

Without enough blood flow, your organs can literally wither on the vine. But boosting nitric oxide helps improve blood flow and helps nourish your organs so you stay vibrantly healthy for life.

As more and more science rolls in, it’s becoming clear that boosting nitric oxide the ActivOX Daily way is one of the smartest and fastest things you can do for your health.

You risk absolutely nothing when you try it. It’s a real, old-fashioned, risk-free invitation. We’ll bet you thought you’d never see that kind of honesty anymore!

Nitric Oxide helps arteries expand naturally — and allows blood to flow freely.

# ActivOX Daily: For Circulation & Blood Flow

The secret is an extraordinary molecule that is proven to improve circulation, blood flow and stamina.

ActivOX Daily is a specially designed lozenge that contains the key ingredients necessary to help your body produce nitric oxide. Nitric oxide, or NO, naturally declines as you age, especially as you reach age 40 or above. When you help your body resume NO production, remarkable benefits can be felt throughout your body.

That's because NO helps increase circulation, signal your arteries to widen, and boost oxygen flow to your cells and tissues. The result is increased energy and stamina, support for healthy blood pressure, and greater blood flow to your extremities.

Just allow the ActivOX Daily lozenge to dissolve in your mouth, and it's like your body wakes up from a long slumber. Keeping your nitric oxide levels in the optimal range is outstanding support for healthy circulation, and a long and healthy life.

# This Is Why Europeans Don't Have Gut Problems

The U.S. does a lot of things right. But when it comes to health... the Euros one-up us sometimes. Especially when it comes to healthy digestion.

Their secret is a traditional, multi-herbal drink called "bitters."

This mealtime ritual is a rich combination of herbs. And it's likely why Europeans aren't complaining about acid, bloating, gas and all the other digestive problems we Americans have.

Bitters stimulate a wide array of digestive juices - bile, gastrin, HCl, pepsin, pancreatic enzymes, even saliva.

## Now Here Is Where OUR Doctors Mess Up

Conventional treatments for digestion do the opposite; they shut your juices down. Sweden has HALF the digestive problems we do, but that's not the only secret the pill-pushing docs in America overlook. The European digestive formulas are LIQUID.

## This Is Really Important

When these herbs come in contact with your mouth, they stimulate saliva and digestive juices. That is key to healthy digestion. Capsules don't work the same way.

Plus, here's a sad fact: if you're suffering from indigestion, bloating, gas... blame Prohibition, because bitters are delivered in a very mild alcohol solution. Now even though they're not inebriating, and you only take a few drops at a time for relief... the government BANNED them almost 100 years ago. And they never found their way back.

Just look: 62% improvement in just weeks. And 72% of people became symptom free.

## 13 POWERFUL HERBS RENEW YOUR DIGESTIVE SYSTEM NATURALLY

It starts with 3 powerful superstars for healthy digestion:

- Angelica for constipation
- Peppermint for gas and bloating
- Milk thistle for heartburn

Plus, these 10 clinically-researched herbs:

- Marshmallow root to soothe
- Caraway to banish bloating
- Lemon balm to calm digestive muscles
- Curcumin to fight free radicals
- Iberis amara to stimulate digestion
- Ginger to ease nausea and improve digestion
- Licorice to heal your digestive tract
- Chamomile to calm digestive muscles
- Gentian to stimulate the production of essential digestive juices
- Fennel to reduce gas

But rather than struggling to get the old formulas back, we did the Euros one better. After reviewing European and Asian scientific studies, as well as the Swedish formula, and the work of the Germans...

## Digestive Freedom Plus: Reset Your System

The result is Digestive Freedom Plus: the world's first truly "intelligent" herbal digestive formula. To keep your food from "stagnating." For less burping and bloating. And a stop to that uncomfortable "too full" feeling after eating. With the support you need to "go" more regularly. And remove the pain of "trigger foods" once and for all.

Just a few drops before meals can help reset your digestive system. And you can get back to enjoying your favorite foods again!

## Works for You or Your Money Back

In addition to the 100% money-back guarantee, if after checking with your doctor and using it for at least 30 days, you don't see dramatic improvements in your digestion, constipation, gas and more, simply send back the unused bottles along with a 1-page note giving your feedback of the product and we'll give you 200% of your money back.

## Even My Doctor Was Impressed

"I have a history of heartburn and acid and nothing seemed to work for me. I figured I have nothing to lose trying your Digestive Freedom Plus. I started using it for about three weeks before I had another appointment with my gastroenterologist. I was having amazing results with this supplement and felt I needed to tell my doctor about it. When I went to my appointment, I printed out a list of the ingredients in your formula and when my doctor looked at it, she said she has never seen such a complete list of ingredients in one product and they are all excellent. She was amazed. I just want to thank you for providing amazing products! I rarely have problems now. It has been a Godsend to me!"\* —Nan

# Rare Deep Ocean Secret Rewrites “Rules” of Aging

## Patriot Renewal: Healthy Aging Formula

National Geographic reports the longest living creatures on earth live in the ocean. Many seem “immortal”... actually aging backwards. How?

Scientists discovered what may be the key to recapturing your youth... 2,000 feet beneath the sea! This is great news if you want to...

- Live longer, “younger” years
- Dodge what we used to think of as “old age”
- Support blood pressure, memory, cholesterol, energy, digestion, vision, health and vitality

### Very little was known about Deep Ocean Water Minerals... until now.

Nothing on land can support your energy and help you feel younger and healthier like this. These 70 rare, ancient minerals originated in glaciers. Before pollution and filth contaminated our oceans. Intense pressure and frigid temperatures keep them perfectly preserved to deliver their health benefits. **And our Patriot Renewal is the only formula in the U.S. to have them.**

What if you'd like to “age-proof” your brain and boost your memory power too? Patriot Renewal includes Baco-Mind®. It's the only *Bacopa monnieri* shown to boost your memory by 78%.

It also includes resveratrol. This anti-aging wonder helps keep your arteries, heart, cholesterol, blood pressure and blood sugar healthy. And the little-known herb *Gynostemma pentaphyllum*, to boost your body's “de-aging” arsenal of antioxidants by nearly 300%.

# The Nation's #1 Health Emergency That NO ONE Is Talking About

## Patriot Vital4: Key to Your Vibrant Health

Nutrient deficiencies could be robbing you of health and vitality... and you might not even know it. For example...

### As Many as 95% of Americans Are Deficient in Vitamin D

We don't get it from food, regardless of how carefully we eat. We need to make it from sunlight exposure, and we're not outside enough to do the job.

But there's another reason we're coming up short of the Vitamin D we need to stay healthy and strong. Unless you have sufficient magnesium to "activate" the Vitamin D you're taking... it doesn't work like it should. And guess what? As many as 8 out of 10 older Americans are deficient in magnesium too!

Patriot Vital4 is a targeted nutritional foundation that gives you the exact, critical nutrients you're likely missing. Including both Vitamin D and magnesium, of course. But also sufficient levels of CoQ10 – an absolutely essential nutrient for heart health. And choline – a brain and memory booster that 92% of Americans are missing right now.

**Patriot Vital4 is going to put back the critical nutrients you're coming up short on, but it's not going to break the bank.**

It's the most affordable product we have. We've done everything we can to keep the quality up, and the cost down. When you consider all these nutrients can do for your body, and how you're likely getting far less than what you need... Patriot Vital4 is a complete "no-brainer."

It's a cruel joke how easy it is to put on weight... and how difficult it is to take it off. To lose weight, pay attention to the "3 S's." Reduce stress, get more sleep... and get yourself this little "secret."

Ultimate Metabolism can be just the boost your metabolism needs to keep your weight loss plan on track. All in the same formula. A comprehensive way to give your body the tools it needs to fight back in the battle against weight... and win.

"I take Ultimate Metabolism around 2PM each day so that I'm not as tempted to snack before dinner, or over-eat at dinner. I used to snack in the evening but now I'm not as tempted. I've taken other supplements that were supposed to hinder over-eating, but they kept me wide awake into the night where I couldn't sleep. Ultimate Metabolism does not do that. I sleep very easily while taking it. —Renee L.

"Ultimate Metabolism REALLY works! I dropped inches in just 2 weeks! I could certainly see a major difference, so I ordered more. I even have my husband on it now, and it's been working for him too! If you're over 50, you may start noticing unwanted belly fat. If you're looking for something that works, this may be it!" —Ella R. of Fredericksburg, Virginia

# Ditch "Man-O-Pause" and Get Your Mojo Back

## Ultimate Male All-Natural Potency Formula

Understanding that something happens "naturally" and deciding it's inevitable are not the same thing. We now know why men start to lose energy as they get older. Why they get moody. And cranky. Have less stamina. And feel weaker. Yes, it is true that men's testosterone levels drop as we age. The drop can be as much as 30%... or even 50%. If you want to stay strong, fit and more "manly" as you get older, there are things you can do, and things you should stop doing...

Get more rest. Just one week of bad sleep can send your T levels down as much as 15%. One week! Start exercising regularly and eat "cleaner" (with more organics and whole foods) to send your T levels soaring. This supplement has a carefully selected combination of seven different herbs and nutrients to boost your "free testosterone" levels. Which means it will do wonders for your sex drive, your energy levels and your stamina too.
