While most pilgrims take the shorter waymarked route inland to A Guarda the Senda Litoral makes a wonderful alternative route around the headland. It is a combination of boardwalks and paths with some shade in the woodland sections. We make our way out along the estuary past *Parque Infantil* and *Praia do Muíño* (the beach where Mario's Maritime Taxi drops off pilgrims). We pass ☕ *Tapería O Forte* & • *HEl Molino x50* €50-70 ☎ 986 627 233 [www.hoteleselmolino.com](http://www.hoteleselmolino.com) Playa de Camposancos or 300m behind its sister hotel • *H"Novo Muíño x20* €70 ☎ 986 627 169. Continue on boardwalks passing the pre-Roman salt pans *Salina de Camposancos* and picnic area with cruceiro overlooking the Minho estuary and the *Fortaleza e Convento da Ínsua* [www.diverminho.pt](http://www.diverminho.pt) on its remote island site. We pass Salinas de O Seixal and the chimneys are from the *Cerámicas Técnicas Galegas*.
