

COUNTER CULTURE™

PROBIOTIC CLEANING TONIC

Dear Store Manager,

This letter is to let you know that one of your customers is asking for you to carry Counter Culture Probiotic cleaning products. Maybe they trust ancient wisdom, believe mother nature knows best, or rely only on hard science. Either way, we are with them, and so are millions of beneficial bacteria!

We believe that “nuking” all bacteria does more harm than good, so we clean the way nature has been cleaning for 4 billion years...with probiotics. Counter Culture products are plant- and probiotic-based with no man-made chemicals and scented only with organic essential oils.

Made from clean, simple ingredients - no colors, allergens, or fake fragrances- we encourage consumers to reduce the amount of chemicals they use everyday. We hope you will assist your customers in finding their favorite products on store shelves.

If you have any additional questions, please contact Counter Culture at 800-736-3128 or e-mail sales@countercultureclean.com.
