A JIM BEDWELL COLLECTION

---

The Art Modern Bath series is a collection of unique, aesthetically brave baths curated by Jim Bedwell, Director of Commercial Design and Projects at Stonebaths AU & NZ.

Each piece in the Art series evokes mystery and history. Influenced by prehistoric shapes and interstellar landscapes, each bath will let you explore the relationship between art and function in the bathroom. The range of finishes draws on natural textures and colours found in stone, metals and minerals.

This bold, statement collection will take your bathroom to a gallery style level of design.
