

Claim your lifetime NU Aqua Warranty

NU Aqua provides a lifetime warranty on all parts for registered products that qualify as long as the filters have been changed per the manufacturer's recommended intervals with genuine NU Aqua replacement filters.

NU Aqua guarantees your filtration system to be free of defects in material or workmanship for a lifetime period, provided you have completed your warranty registration with NU Aqua within the first 30 days of purchase, and that the filters are replaced with original and genuine NU Aqua replacement filters.

After 30 days, NU Aqua's obligation and liability under this Lifetime Warranty is dependent on your use of our genuine filters, purchased on our website.

Our Lifetime Warranty remains in effect as long as:

You register your warranty with NU Aqua within 30 days of purchase.

You change filters with genuine and original NU Aqua replacement filters at least every 6 months unless otherwise unstructured by the specific products recommendations.

You use the proper power supply based on voltage: 120v

There is no evidence of tampering, mishandling, neglect, accidental damage, or modifications.

Your water filtration system is operated and installed in accordance with the provided instructions.

How it works:

Stage
1

Select the right replacement subscription for your system.

Each NU Aqua filtration system has its own corresponding filter set. Identify your device and find the proper replacement set here:

<https://nuaquasystems.com/collections/filter-club>

Stage
2

Your filters will be delivered to your door at the correct interval for your system so that you never have to worry about ordering replacement filters.

Stage
3

Enjoy your NU Aqua water filtration system and rest easy knowing your system is covered for life.
